## Overview

Refuel is the ultimate meal replacement shake. Not only does it taste amazing, but it contains vital nutrients that your body needs to keep going all day long. It has sources of high-quality protein, 3 sources of healthy fats, and is low-carb! Refuel is free from artificial flavors and preservatives.

- 3 Premium Protein Sources
- Perfect Ketogenic Ratios
- 3 Healthy Fat Sources
- Promotes Increased Fat Burning

## Benefits:

When used as a full meal replacement, Refuel helps you to avoid overeating while providing your body with critical macronutrients and micronutrients.

Refuel also promotes ketosis, your body's natural fat burning mode.

## How to Use:

Mix two scoops with 12 - 14 oz of water for a quick, delicious, and healthy meal on-the-go.

Use to replace any meal, at any time of the day.

## Key Ingredients

Refuel is thoughtfully sourced from the best providers.

**Sweet Cream** - Full of healthy good-for-you fats, it gives you long-lasting energy while keeping you surprisingly satiated. It also helps give Refuel it's amazing taste!

**Coconut Oil** - A remarkable fat that supports heart health and brain cognition, it also promotes healthy metabolism, skin, and nails.

**MCT Oil** - Made of Medium-Chain Triglycerides (MCT), it is absorbed by the body fast to promote ketone energy production.

**Whey Protein** - One of the highest-quality sources of protein, it contains all essential amino acids and is prized among athletes and bodybuilders to help repair and rebuild muscle.

**Collagen** - A major component of your body's tissues and ligaments, it helps enrich your skin, ease joint pain, and keep your bones strong.

**Vitamins & Minerals** - Refuel is supercharged with vitamins and minerals including calcium, potassium, iron, zinc, riboflavin, thiamin, to help your body perform at its peak.
